Subject: Deficient Notice of Intention to Commence Small Mining Operations, DJN Rockwalls and Excavating, West Side Mine, S0350032, Task 1655, Salt Lake County, Utah

Dear Mr. Nay:

The Notice of Intent to Commence Small Mining Operations (NOI), received by the Division December 7, 2006, concerning the proposed small mining project located in Township 4 South,, Range 1 West, Section 27, SLBM, Salt Lake County, Utah, is incomplete. The following information is required:

1. Applicant Name. As stated in the Division letter to you dated December 14, 2006, DJN Rockwalls and Excavating, Inc., listed on the NOI as the entity applying for the permit, is not registered with the Utah Division of Corporations. The entity name Shawn Nay DBA DJN Rockwall and Excavation is registered and could be listed as the applicant, but the entity number for this DBA is not the same as the one listed in the NOI. The entity number listed in the NOI is not listed with the Division of Corporations.
2. Officers. Because DJN Rockwalls and Excavating, Inc., is not registered with the Division of Corporations, the Division cannot verify the list of officers.
3. Signature. The NOI is signed by Tera Nay who is listed in the NOI as the vice president of DJN Rockwalls and Excavating, Inc., but, once again, the Division cannot verify that she is an officer. The NOI needs to be signed by an authorized officer of the applicant. If the applicant becomes Shawn Nay DBA DJN Rockwall and Excavation, the NOI will need to be signed by Shawn Nay.
4. Operations map. Please provide an operations map at a scale of about 1"=200' showing the location of any existing or proposed operations

including access roads, drill holes, trenches, pits, shafts, cuts, or other planned mining activities; and any adjacent previous disturbance for which you are not responsible. The aerial photo included in the NOI works well for this purpose, but the locations of the operations need to be marked.

Reclamation surety is required to be posted by all mining and exploration operations. The surety amount for this site is \$8000.00. Please contact Beth Ericksen at (801) 538-5318 or [BethEricksen@utah.gov](mailto:BethEricksen@utah.gov) for further information and forms regarding the surety documents.

In reply, please refer to file number S0350032. Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Susan M. White". The signature is fluid and cursive, with the first name "Susan" and last name "White" clearly legible.
